Civil Action No.: 2:06-CV-929-MHT

DEFENDANTS' REPORT

COMES NOW the defendants in the above-styled cause, Sheriff Russell Thomas, Capt. Doug Wheeler, and Jail Administrator, Olivia Pearson, separately and severally, and in response to this Court's Order of January 8, 2007, files this written report and avers the following, separately and severally:

1. These defendants assert to this Honorable Court that they have taken a review of the subject matter of the plaintiff's Complaint and have ascertained relevant facts and circumstances relating to said Complaint.

2. These defendants further assert that no action is necessary by prison officials to resolve the subject matter of the plaintiff's Complaint since the plaintiff is no longer incarcerated in the Pike County Jail.

3. These defendants are presently unaware of any similar complaints filed by this plaintiff in this Court which should be taken into consideration in resolving this Complaint.

4. These defendants also assert that they are not aware of any other similar petitions filed against these defendants, pending in this Court or elsewhere, which should be considered together with this case.

5. As the Court is aware, the plaintiff Ambrose has filed multiple Complaints or Amended Complaints in this action. The first Complaint was filed on or about October 13, 2006. The plaintiff's Complaints allege that the violations occurred during his incarceration in the Pike County Jail from September 6, 2006 through October 11, 2006.

6. Amendments to the plaintiff's original Complaint which have been received by this defendant were filed on December 7, 2006 (Doc. 13) and December 27, 2006 (Doc. 18).

7. While the specifics of the plaintiff's allegations vary with each Complaint, the plaintiff alleges that the defendants denied him necessary medical attention with deliberate indifference to his medical needs, all of which were related to an alleged ear infection while he was in the Pike County Jail.

8. The plaintiff also alleges that the jail conditions were unconstitutional and that the totality of those jail conditions constituted cruel and unusual punishment.

9. The plaintiff also alleges that the Pike County Jail has no policies or procedures to address inmates' medical needs and that the Pike County Jail has no grievance procedure to address the inmates' grievances.

10. The plaintiff's Complaint seeks relief from Russell Thomas, the Sheriff of Pike County, Doug Wheeler, a captain with the Pike County Sheriff's Department, and Olivia Pearson, the Jail Administrator for the Pike County Jail. These defendants deny

all of the allegations contained in the plaintiff's Complaint and deny that the plaintiff is entitled to relief.

11. At the time of the plaintiff's confinement in the Pike County Jail, the plaintiff's status was that of a convicted prisoner.

12. The plaintiff's Complaint makes no specific allegations against Sheriff Russell Thomas or Capt. Doug Wheeler, other than they were supervisors of the Pike County Jail and held positions of authority. In fact, no specific allegation is made against Olivia Pearson, as Jail Administrator, and no specific person is named in the plaintiff's Complaint as having been the person or persons who denied any medical treatment or otherwise violated Mr. Ambrose's constitutional rights.

13. The plaintiff's Complaint is specifically void of any specific allegations against any individual but rather is couched only in general terms. Consequently, these defendants cannot provide an Affidavit from any particular named defendant or other health-care professional which contains a detailed explanation of treatment provided to plaintiff or interprets any records since there is no evidence that the plaintiff ever requested any medical treatment or was provided any medical treatment and, consequently, there are no medical records relevant to the claims presented. Any and all documents which are relevant to the plaintiff's claims, and any and all documents which address the plaintiff's allegations, are attached to the Affidavit of Olivia Pearson as Exhibits 1 and 2.

14. The plaintiff's Complaint fails to state a cause of action or set forth a claim against any of the defendants in this case. Specifically, defendants allege that the plaintiff's Complaint fails to state a cause of action against each of them, separately and

severally, because no defendant is alleged to have been personally involved in the allegations giving rise to the plaintiff's Complaint.

15. These defendants deny that the plaintiff was denied medical attention or that they were deliberately indifferent to his serious medical needs.

16. These defendants deny that they were deliberately indifferent to the plaintiff's constitutional rights.

17. These defendants aver that they are entitled to absolute immunity.

18. These defendants aver that they are entitled to qualified immunity on the basis that their actions were taken in good faith and pursuant to their discretionary authority.

19. These defendants aver that they were acting within the line and scope of their discretionary authority at the time of the alleged unconstitutional conduct complained of by the plaintiff and are protected by State-agent immunity.

20. These defendants aver that this plaintiff's claims are not sufficient to support a claim under the Fourth, Fifth, Sixth, Eighth or Fourteenth Amendments to the Constitution.

21. These defendants aver they are absolutely immune from liability pursuant to the Eleventh Amendment.

22. These defendants aver the plaintiff has failed to state a claim for relief on the basis that there is no showing of physical injury to the plaintiff pursuant to 42 USC (a) § 1997 (e), et seq.

23. These defendants aver this plaintiff's allegations herein are frivolous and malicious and fail to state a claim upon which relief can be granted and/or seek monetary

relief from defendants who are immune from such relief pursuant to 42 USC(a), § 1997 (e), et seq.

24. The plaintiff's Complaint, and each cause of action stated therein, is barred by the Prison Litigation Reform Act.

25. These defendants deny that the plaintiff faced a substantial risk of serious harm and/or that they disregarded that alleged risk by failing to take reasonable measures to abate it.

26. These defendants deny that the plaintiff's allegations of inadequate medical treatment state a violation of the Eighth Amendment.

27. These defendants aver that plaintiff's allegations require a proof of an affirmative causal connection between the actions allegedly taken by these defendants and the alleged constitutional deprivation.

28. These defendants aver that this plaintiff has failed to come forward with any facts or materials that would be admissible in evidence, demonstrating the existence of a causal connection between any of these defendants and the allegations contained in the plaintiff's Complaint.

29. These defendants aver that they cannot be held liable in an action brought pursuant to 42 USC § 1983 under a theory of *respondeant superior*, or on the basis of vicarious liability.

30. These defendants deny that they knew of or disregarded an excessive risk to the plaintiff's health or safety while he was incarcerated in the Pike County Jail.

31. These defendants aver that the plaintiff's Complaint fails to set forth sufficient facts to state a claim against these officials for deliberate indifference.

32. In support of defendants' position, and this written report, the defendants have attached hereto their Affidavits as well as Exhibits to the Affidavit of Olivia Pearson, which are submitted to this Court and made a part of this written report.

WHEREFORE, the premises considered, the defendants submit this written report in accordance with this Court's Order and request that this Court enter an order in favor of these defendants, separately and severally.

Respectfully submitted this 16th day of February, 2007.

AFFIDAVIT OF RUSSELL THOMAS

Before me, the undersigned, personally appeared RUSSELL THOMAS, who being duly sworn, gives testimony as follows:

1. My name is Russell Thomas and I am the Sheriff of Pike County, Alabama. I am a named defendant in the above-styled lawsuit.

2. I have reviewed the Complaint filed by Jenerral Reed Ambrose ("Ambrose"). Mr. Ambrose's claims are totally without merit. Although I did not have any personal involvement with Ambrose during his incarceration, I have spoken with jail officials and have been made aware that Mr. Ambrose was not denied any medical treatment and was not deprived of any constitutional rights while he was incarcerated in the Pike County Jail.

3. All policies and procedures concerning inmate medical needs were in place and would have been followed if requested or needed. Our jail is not aware of any complaints made by Mr. Ambrose during his incarceration and, to my knowledge and belief, Ambrose suffered no physical injury while incarcerated in the Pike County Jail.

AFFIDAVIT OF DOUG WHEELER

Before me, the undersigned, personally appeared **DOUG WHEELER**, who being duly sworn, gives testimony as follows:

1. My name is Doug Wheeler and I am a Captain with the Pike County Sheriff's Department. I am a named defendant in the above-styled lawsuit.

2. I have reviewed the Complaint filed by Jenerral Reed Ambrose ("Ambrose"). Mr. Ambrose's claims are totally without merit. Although I did not have any personal involvement with Mr. Ambrose during his incarceration at the Pike County Jail, I have spoken with the jail officials and reviewed records and, based upon my personal investigation, Mr. Ambrose was not denied any medical treatment nor did he receive any form of personal injury during the time he was in the Pike County Jail.

3. Ambrose's allegations that the Pike County Jail is inadequately staffed or that the conditions are unconstitutional are also totally without merit. Jail policies concerning inmate medical needs are strictly adhered to and there is no evidence to

indicate that Mr. Ambrose was denied any form of medical treatment that was needed or requested.

4. Mr. Ambrose's *pro se* Complaint, which was filed in Federal Court, was the first notice to me, the jail staff or the Sheriff that Ambrose had a complaint of any nature during the time he was incarcerated in the Pike County Jail. Ambrose was not denied any of his constitutional rights during the time he was in our jail and any claims in that regard are totally without merit.

AFFIDAVIT OF OLIVIA PEARSON

Before me, the undersigned, personally appeared OLIVIA PEARSON, who being duly sworn, gives testimony as follows:

1. My name is Olivia Pearson and I am the Jail Administrator with the Pike County Sheriff's Department. I am a named defendant in the above-styled lawsuit.

2. I have reviewed the Complaint filed by Jenerral Reed Ambrose ("Ambrose"). Mr. Ambrose's claims are totally without merit. Mr. Ambrose was not denied medical treatment at any time while in the Pike County Jail.

3. Jenerral Reed Ambrose was arrested on or about August 26, 2006 by the Troy Police Department on charges of public intoxication and giving a false name to a police officer, and placed in the Troy City Jail.

4. On or about August 28, 2006, a Fugitive Warrant was received from the Department of Corrections for a parole violation on Jenerral Reed Ambrose. He was then transported to the Pike County Jail on September 6, 2006 to be held on a parole violation.

5. With extensive charges since 1983, Ambrose had been sentenced in Jefferson County, Alabama, and in Panama City, Florida, on charges of giving a false name, larceny, burglary, and possession of controlled substances.

6. During Ambrose's incarceration at the Pike County Jail, where he stayed for approximately 40 days, at no time did our staff (jailers) neglect Ambrose's medical needs. If there had been any problem with Ambrose, our jailers would have done their job by logging the complaint, reporting it to a supervisor, and/or giving a Request Form which Ambrose would have completed and returned to the jailer. The Request Form also has a place on which to state any grievances.

7. Unless an inmate's request is an emergency, then an appointment will be made with the jail doctor and the inmate will be transported at the time of the appointment. If the request is an emergency, then paramedics will be called and, if necessary, the inmate will be transported to the Emergency Room.

8. I have personally discussed Ambrose's complaint with each and every jailer/correction officer and not one jailer had any recollection of any complaints or requests for medical attention from Ambrose—formally or verbally. If Ambrose had any ear pains or other pains as alleged in the Complaint, it could not have gone unnoticed for 40 days. If Ambrose had the ear problem he alleges in his Complaint, he would at least have asked for some kind of medication during this time, which he did not. Ambrose did not ask for any medication during his incarceration.

9. If at any time an inmate is dispensed medication, it is logged on our Medication Forms whether it is prescribed or over-the-counter medication. A review of our Medication Log of prisoners does not indicate any medication was dispensed to

Ambrose. There were no inmate Request Forms completed by Ambrose, requesting medical attention or expressing any grievances.

10. Jenerral Reed Ambrose was released from the Pike County Jail to the Kilby Correctional Facility on or about October 16, 2006. A review of the jail records indicates that, from the time of his incarceration in the Pike County Jail until the time of his release, there were no complaints made by this inmate.

11. Attached hereto as Exhibit 1 to my Affidavit are true and correct copies of documents relating to Jenerral Reed Ambrose during his incarceration in the Pike County Jail. Exhibit 1 contains Ambrose's admission record, an inmate Request Form, the Pike County Jail policy regarding health-care services, a medications form, documents relating to Ambrose's criminal record and his parole violation which subjected him to be incarcerated in the Pike County Jail, along with the Jail Log for telephone messages/medication for prisoners, and prisoner notes during the time of his incarceration relative to his Complaint.

12. Ambrose also alleges in his Complaint that the jail facilities are inadequate and unconstitutional. Attached hereto as Exhibit 2 to my Affidavit are inspection reports of the Alabama Department of Health, which were provided at a time most recent to Ambrose's incarceration, which contradict his jail-condition claims in total.

13. Ambrose's claims and this lawsuit are totally unjustified and without merit. At no time during his incarceration in the Pike County Jail was Mr. Ambrose or any other prisoner's medical needs ignored and at no time was he subjected to any unconstitutional conditions, or did he suffer from any mistreatment in any form.

**Pike County Jail
Jail and Detention
Policies and Procedures**

**Subject: Health Care Services
(Health, Dental, and Optometric)**

Policy:

It is the policy of the Pike County Jail that access to appropriate health care services will be provided for the inmates of the jail in order to provide for their physical and emotional well-being.

Procedure:

1. Inmates desiring medical services will immediately let the jail staff on duty know of their request. The Jail Administrator will make arrangements for the inmate to receive medical services.
2. If the request is stated to be an emergency and in the absence of the Jail Administrator or Captains then the jailer on duty will make arrangements for emergency treatment.
3. If an emergency is stated by the inmate and the inmate appears to be in distress or discomfort of any kind, the jailer on duty will make arrangements for the inmate to be transferred as soon as possible to the emergency room of the Edge Regional Medical Center in Troy, Alabama.
4. Inmates desiring dental or optometric services will request such services to the jail staff member on duty. The staff member will then forward such request to the Jail Administrator to make arrangements for dental or optometric services.
5. Inmates will be given prescription medication as prescribed. Medication will be distributed according to the instructions from the prescribing physician and will be distributed by a jail staff member. At no time will any inmate be permitted to handle or distribute medication.
6. All records pertaining to the health care of any inmate will be kept in the inmates file in the Sheriff's office. Access to health care records will be limited.
